No Art-of-the-Month

C.A.T. Day is a wonderful demo month where we bring supplies of our choosing to draw, paint, or sketch along side our fellow demonstrating artist, Keith, who will show us tips on how he paints his brilliant art! Mingle with Keith and chat with him 'one on one' and tour fellow artists as they work and have fun. We learn so much from each individual on how they work their magic!

(It is optional to create on C.A.T. Day).

So join us at CCMA (217 N. Lemon St.) on Wednesday, September 10th for our C.A.T. Day fun. No art-of-the-month for this month.

AAIE grant recipient

Congratulations to Art Community Grantees!

The Rancho Cucamonga Community and Arts Foundation is buzzing with excitement to announce the recipients of its Community Art Grant for the 2025–2026 year. Following the close of the application period in July, the grant review committee quickly got to work, carefully evaluating a diverse array of proposals submitted by both large and small nonprofit organizations across Rancho Cucamonga. After thoughtful consideration, ten outstanding organizations have been selected to receive funding, each recognized for their commitment to enriching the community through the arts.
