CONTACT: (909)945-2829

Karen Clark is a watercolorist but she also has a master's degree in Fiber from UCLA. She teaches two watercolor classes a week at Central Park in Rancho Cucamonga and loves every minute of giving her knowledge to students. She shows her watercolors in some local galleries and also internationally. ### Reception: Generations of Creativity: the Art of the Svenson Family

Sunday, February 1, 2026  
2:00 PM - 4:00 PM  
Chaffey Community Museum of Art (map)

Join us for the reception of *Generations of Creativity: the Art of the Svenson Family*.

This exhibition presents a wealth of rarely seen works of art by sculptor John Edward Svenson and his family - David and Kazumi + John and Sharon. The works are created in a wide variety of media from traditional carved wooden sculpture to mixed media and neon. The scale ranges from a 9' totem pole newly carved by David to diminutive glass works by Kazumi. Curated by David Svenson, this exhibition is a unique opportunity to view the legacy of renowned Pomona Valley sculptor John Edward Svenson and his artistic progeny.
